## **New Hampshire Vocational Rehabilitation**

- **NH Vocational Rehabilitation (NHVR) helps people with disabilities go to work.**
- **Last year NHVR assisted 1,087 individuals with disabilities obtain and maintain employment.**
- **We are always searching for ways to improve our services.**

### **You Can Help!**

Each year NHVR holds public meetings across the State to gather input on how our services are working in New Hampshire. Your thoughts are important to us. We have several options for you to provide input.

- You can join us at one of our scheduled meetings.
- You can complete an online survey – the survey is located at: <http://www.surveymonkey.com/s/vr13>
- You can send your ideas to: Ella McAllister, 21 South Fruit Street, Suite 20, Concord, NH 03301; via e-mail - [Ella.Mcallister@doe.nh.gov](mailto:Ella.Mcallister@doe.nh.gov) ; phone (603)271-3471 v/tty; or fax (603)271-7095.

The Agenda for the meeting includes a brief overview of NH Vocational Rehabilitation and the State Plan and then moves to gathering comments from those in attendance on the following topics: 1) How is Vocational Rehabilitation working for you; 2) What do you see as the rehabilitation needs of persons with disabilities in the State; and 3) Ideas you have for improvement and/or expansion of Vocational Rehabilitation.

If you require an interpreter, or other accommodations, call Cyndy Wisell at Vocational Rehabilitation M-F 8am–4pm: (603)271-3471 v/tty or at 1-800-299-1647 v/tty.

For additional information contact Ella McAllister, 21 South Fruit Street, Suite 20 Concord, NH 03301.

This publication is available in alternative formats upon request.

*The Department of Education, Vocational Rehabilitation believes in equal opportunity and complies with the Americans with Disability Act. Auxiliary aids and services are available upon request to individuals with disabilities.*
